# Trainers

**Marilyn Lane** is an educational consultant and past president of the California Association for the Gifted. She received a Master of Arts degree and an administrative credential from California State University at San Jose. She has been a classroom teacher, a library media coordinator, and teacher of the gifted. Her administrative positions include Director of GATE in an international school, elementary school principal, and Coordinator of Gifted Services. Marilyn is an international consultant in gifted education and "Creating Caring School Environments." She has been teaching certification classes in differentiation and gifted education in various counties in California. She is also an adjunct professor at Santa Clara University.

Marilyn Lane is past president of the California Center for Self-Esteem and currently serves on the advisory board for the National Council for Self-Esteem and the International Council for Self-Esteem. She is the author of articles on giftedness and social studies curriculum. She has co-authored a book on parenting. She has presented at numerous conferences both here and abroad. She divides her times between her homes in California and Arizona.

**Nora Ho** is the principal of Ruskin Elementary School for Berryessa Union School District. An educator for over 30 years, Mrs. Ho received her Bachelor of Arts with a Major in History and Minor in Spanish and her Master of Arts in Elementary Education with an emphasis on Reading, from San Jose State University. From the University of Santa Barbara, she completed

her Reading Specialist Credential and an Administrative Credential. Her jobs have included all grade levels from Pre-school to University level. She has been a GATE classroom teacher, a reading resource teacher, a GATE resource teacher, site and district level GATE coordinator and currently, a K-5 Principal of a California Distinguished School. Nora is also a consultant in Gifted and Talented Education and Differentiated Instruction. She has taught GATE certification classes for both Solano Country Office of Education, Siskiyou Country Office of Education, and Santa Clara Country Office of Education, which culminated in GATE Certification for teachers. She has also been involved in teaching a graduate level class, focusing on implementation of differentiated instruction at Santa Clara University.

Mrs. Ho is an active member of California for the Gifted Association and has given numerous workshops at the statewide and world conference. In her free time, Mrs. Ho enjoys fishing, hiking, reading and writing.
